

4th Annual Scientific Meeting of
Computer Science Institute
of Charles University
and Institute for Theoretical
Computer Science (CE-ITI)

December 18, 2015

All lectures are in the faculty
building at Malostranské nám. 25

Program

Morning lectures are in the room S5, 2nd floor

- | | | |
|-------|-------------------------------------|---|
| 9:30 | Adam Přenosil | Graphs and contradictions |
| 10:00 | Roman Čada | Dominating even subgraphs in cubic graphs |
| 10:30 | <i>Coffee break</i> | |
| 10:40 | Peter Bro Miltersen | Recent results on concurrent reachability games |
| 11:45 | <i>Lunch at a nearby restaurant</i> | |

Afternoon lectures are in the room S6, 2nd floor

- | | | |
|-------|-----------------------|--|
| 14:30 | Josef Cibulka | Furedi-Hajnal Constants are Typically Subexponential |
| 15:00 | Andreas Emil Feldmann | An Exact Characterization of Tractable Demand Patterns for Directed Steiner Network Problems |
| 15:30 | Jiří Fink | Approximation algorithms for scheduling a group of heat pumps |
| 16:00 | Antonín Kučera | Solving Deductive Games |
